**FROM: REGISTRAR ACADEMIC AFFAIRS**  
**TO: ALL 2<sup>ND</sup> AND 3<sup>RD</sup> YEAR STUDENTS**  
**REF: MMU/REG. AA/SM/VOL.1**  
**DATE: 19<sup>TH</sup> April, 2021**  
**SUBJECT: OPENING DATE FOR ON-LINE LEARNING AND UPDATE OF PERSONAL INFORMATION**

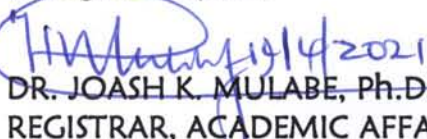

Reference is made to our earlier communication on the revised Academic Calendar and commencement of online learning for 2020/2021 Academic Year dated 30<sup>th</sup> March, 2021 and 1<sup>st</sup> April, 2021 respectively.

This is to inform all second years (2019 cohort) and 3<sup>rd</sup> years (2018 cohort) in all Faculties that they will be commencing online learning on Monday 3<sup>rd</sup> May 2021. Meanwhile in order to ensure every bona fide student gets the bundles to facilitate online learning, all affected students are advised to update their personal information - correct mobile number and email address - on their student portal since this is what will be used to send the bundles. To this end, the Student Web Portal is now open for update until close of business on Monday 26<sup>th</sup> April, 2021.

In addition, all affected students are required to do the following:

- i. Pay tuition fees in full or at least 50% and register on or before Friday 30<sup>th</sup> April 2021. Only fully paid up students will be able to get bundles, attend on-line classes, and sit end of semester examinations.
- ii. Students should secure a Lap-top or any other electronic gadget that will facilitate connectivity to on-line classes and examinations.
- iii. Students are advised to visit MMU Website on daily basis to get update on on-line teaching.
- iv. All students should prepare for training/induction on on-line classes once the training/induction is scheduled. The schedule will be posted on the University Website.
- v. Students should be ready to attend all on-line classes once they are announced by the University and sit examinations.
- vi. Online learning for All year 1 semester 2 and final years commenced on Monday 19<sup>th</sup> April 2021 after successful induction on online learning for students and lecturers from 12/4/21 to 15/4/21

Please take responsibility and share this communication with your parents/guardians/ sponsors, colleagues and peers.
